9. [REDACTED] [REDACTED] OCR/Graphics, called to say that DIA had been in touch with the Agency regarding the release of a film clip of the Stratton case (the POW who was exhibited by the North Vietnamese). It appears that Senator Edward Kennedy is interested in viewing this film clip. After conversations between DIA, NBC (from whom the Agency obtained a copy of the film clip) and Mr. Frank Sieverts, Special Assistant to the Under Secretary of State, arrangements were made for the Agency (with NBC's permission) to lend its copy of the film to State for showing to Senator Kennedy. Mr. Sieverts will be present at the showing to answer any questions which the Senator may have.

10. [REDACTED] [REDACTED] ORR, called to say that, in response to a request from State Department, classified figures on arrivals of shipping in North Vietnamese ports were given to State. These figures were subsequently given to Senator Stephen Young who has asked State to downgrade them. It was determined that Skip White, State Department Congressional Liaison office, was handling this.
